

# Stone

***Two Friends were walking through the desert, during some point of the journey, they had an argument; and one friend slapped the other one in the face.***

***The one who got slapped was hurt, but without saying anything wrote in the sand:***

***'Today my best friend slapped me in the face.'***

***They kept on walking, until they found an oasis, where they decided to take a bath.***

***The one who had been slapped got stuck in the mire and started drowning, but the friend saved him.***

***After he recovered from the near drowning, he wrote on a stone:***

***'Today my best friend saved my life'***

***The friend who had slapped and saved his best friend asked him, 'After I hurt you, you wrote in the sand and now you write on a stone, why?'***

***The friend replied 'When someone hurts us we should write in sand where winds of forgiveness can erase it away; but when someone does something good for us, we must engrave it in stone where no wind can ever erase it'***

***Learn to write your hurts in the sand and to carve your benefits in stone.***

## Blanket Sundays!

The weather "best guessers" believe October will be colder than September and November colder than October. Just in case they are right, East Fairview will be having another blanket month in October. This time you can donate money to purchase blankets or bring a new one to church. All blankets will go to the Lancaster Co. Council of Churches for their winter support of the homeless and less fortunate. PLUS, a bonus! We are also collecting socks for Water Street in October, bring pairs of socks to church and they will go to people with toes who need a clean new home.

Collections will take place the first four Sundays of the month...then the last Saturday anyone from church is encouraged to help us deliver all the blankets and socks in the morning and maybe we can stop for lunch together afterwards.

# Thank You!

Thanks to everyone who helped with the car show, food stand, children's activities, and yard sale at the Show & Shine. Even though the day was rainy, the yard sale for Teen Central had a \$900 profit. We were able to donate a car full of canned goods to the Manheim Food Bank and food sales totaled \$425. Children's activities moved to the pavilion. They enjoyed crafts, story time, games, and the barrel express. Juggling and balloon creations were also part of the activities. We appreciate the 16 vehicles that participated in the show. Even with the rain we made the most of the day. Thank you for your support of this ESM team activity.

Steve & Sharon Ecenrode and the ESM Team

**My surgery and recovery went well and I am now back to work. Thank you for your thoughts and prayers on my behalf- long distance.**

**Blodwen Harvey (Daughter of Blodwen Jimenez)**

***Please thank everyone concerned for the food donation last weekend. A donation of food staples is always particularly welcome. We really appreciate that your church chose us for your generosity.***

***The Milagro House Family***

On behalf of the Manheim Ministerium and Community Action Program I would like to thank you for your food donation to the Manheim Food Bank from the event you held recently at the church. Your participation helped make the food drive a success. It certainly is a blessing to have full shelves ready for distribution when the need arises. Your care and generosity is greatly appreciated. Thank you once again.

# ADULT SUNDAY SCHOOL CLASSES

## SEPTEMBER-OCTOBER-NOVEMBER

### “THROUGH THE BIBLE IN ONE YEAR CHRONOLOGICALLY”

Pastor Jimm Roland - Barry Weidman

The class will take you on a journey through the history and culture of the Bible. The study will allow you to step back into biblical times and discover the world out of which the Bible grew. You will be better equipped to read your bibles understanding “the words “fitly spoken”- like apples of gold in settings of silver” Proverbs 25:11 To acquire a sense of the flow of the Bible’s story will put flesh and blood on its message.

### “THE STUDY of GENESIS”

Marlin Gobble – Julie Graybill

Everything in this life has a beginning, and so does the Bible: Genesis is the book of beginnings - The Universe, the earth, human life, sin, death, and redemption. The class will discover the beginning of God’s love affair with humanity. Doctrines of covenant, grace and redemption permeate the story of God’s actions to overcome the consequences of sin and evil. All trace their origins to this remarkable book. Much of Genesis consists of stories-the history of individuals, families, tribes and nations. You will find that some of their experiences mirror your own; reflecting the ways God wants to lead you into ways of knowing and serving Him.

### Room #112 International Lesson Barb Earhart – Scott Moyer – Levi Zeigler

“The Inescapable God” God Calls Moses - Exodus 3

Unit 1 God Reveals Unit 2 God Sustains Unit 3 God Protects

### Room # 111 YOUNG ADULT CLASS

Steve Petrosky

Class will be studying “God’s Word in the Gospels” We will be utilizing a combination of scripture reading, discussion, and multi-media to learn from these powerful chapters of the Bible. Please join us as we discuss how these lessons relate to the lives of young adults and the many struggles we face in a sin filled world.

### Room # 113

Dennis Fahnstock – Ed Dagen

Class will be studying “Our Christian Responsibilities” Whether we admit it or not when we are young we want to know our limits because it makes us feel secure and loved. However, when we become adults we want freedom from limits and responsibilities because we want to be stress free. Unfortunately, this tendency to be stress free affects many Christians in a negative way. They believe in Christ but they want to cruise through life without too many things being asked of them. This course will attempt to not only explore the biblically described responsibilities for Christians but also to explain the joy that can be found in following them.

*See newsletter for a weekly schedule*

**New Secretary** Our new secretary has started!!  
Jinny Petrosky will be here  
Monday - Friday from 9am—1pm.
